3. Your Klondike Adventure:
 - a. Create & write a story :

Create & write a story of your adventure over the Chilkoot Trail. You may start it at either the lawless town of Skagway or at Dyea. You must travel the Trail in the winter with the other Stampeders. You must do all the work by yourself **except** that you can pay others to haul one half of your required ton of stuff (1000#s) over the summit if you can earn that money operating a small business on the Trail itself. You must **also** protect yourself against one fake, overcome a logical catastrophe and see a tragedy.

- b. Tell your story:

If you will tell your story to the class (without reading your story) you can receive up to 25% more credit. Its possible to get 125% on this assignment.
